Dear Shawn Klinger:

We just received our new Data Lite Pager system and are very happy with our decision to invest in this system. We were having trouble with our old system working in all parts of our campus. The paging system we purchased from Signs Plus works in all parts of our campus.

We are also pleased to have done business with Signs Plus. They were very courteous and tried to find the system that would best work for our situation. Thank you Signs Plus. We use our paging system for our nursery on Sunday mornings and Wednesday nights and have also used it during Vacation Bible as a signal to rotate stations. It's wonderful!

Sincerely,

Jessica Farr  
Children's Minister
